## **2024 Student Representative Elections – Memo 2**

Kia ora koutou,

By now, all schools using the recommended date of 19th September as their election date will have called for nominations. These close on Tuesday 3<sup>rd</sup> September

Before nominations close, we would like to provide the following points of clarification on the election of student representatives for Returning Officers:

- If there is only 1 nomination received, then the student is duly elected and joins the board 7 days later. If there is more than 1 nomination, a voting election will need to be held.
- If there are no nominations received, then this will result in a casual vacancy for the board and they will need to run a by election as soon as practicable.

When the elections are completed, please make sure, as the Returning Officer, you complete [Appendix 1](#) online and send the student representative the link to complete [Appendix 2](#) so they can register for professional development opportunities.

The student roll and the voting papers need to be delivered to the local District Court

Te Whakarōputanga will be running 'Welcome on Board' sessions both online and in-person around the country for new and returning student representatives. Please visit our [Resource Centre](#) to register and explore other online courses and workshops.
